Revision

Revision planning top tips:

- Be **ACTIVE** in your learning
- Make revision resources and test yourself
- Give enough time to each qualification
- Target your weakest areas
- Revise in manageable time slots
- **PLAN** your revision time and your breaks

The best use of time is 45 minute bursts like this:

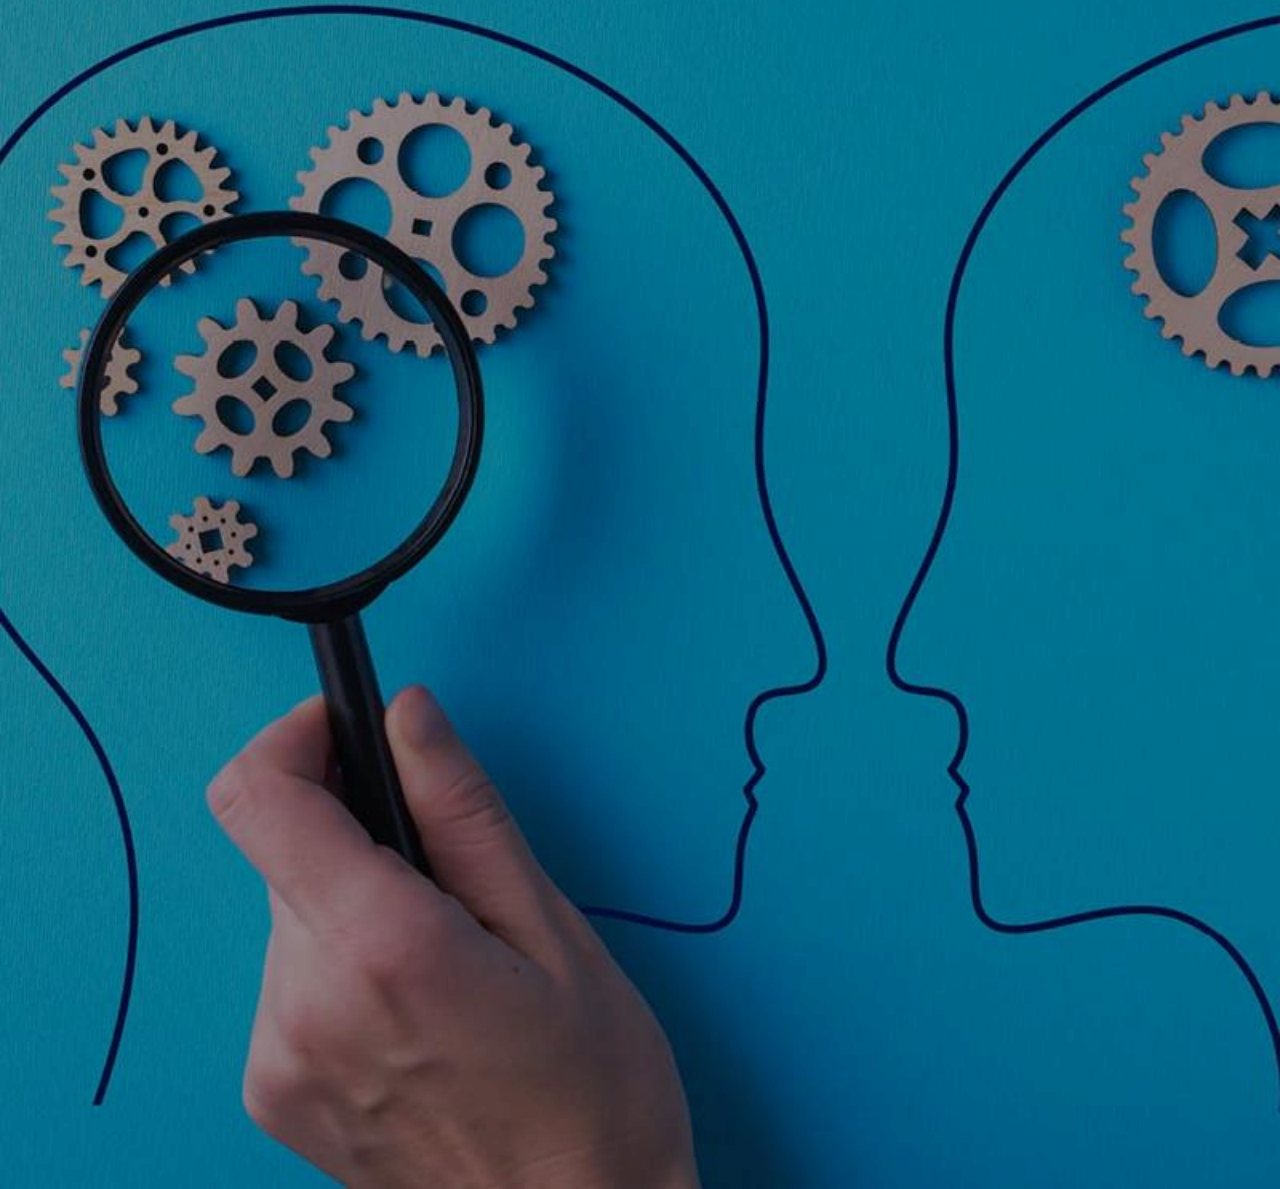

- ▶ 15 minutes to make a resource
- ▶ 10 minutes revise
- ▶ 5 minute test
- ▶ Revise again for 10 minutes
- ▶ 5 minutes test

Advice from current Year 13s

"Don't be discouraged by the 1st mocks you do. Use this as an opportunity to identify areas of weakness and where to focus your revision"

"Don't leave assignments to the last minute"

"Build in time for things you enjoy and rest"

"Try a variety of revision techniques to keep information interesting and varied to help you retain all the lesson content"

"Make the most of the support we have here at NGA"
