March 2018

Parents/Carers of year 6 pupils

Dear parent/carers

RE: Year 6 Transition

We are delighted that you have chosen the Nottingham Girls' Academy for your daughter's secondary education. We look forward to welcoming her in September. Please do remember to accept your daughter's place via the Nottingham City Council Admissions team by **Thursday 15 March 2018**.

We pride ourselves in the support that we give to our pupils as they make that very important move from primary to secondary schooling. We have a dedicated team of staff who will work to support you and your daughter over the coming months.

The transition team staff are:-

- Mrs Kotze Head of Year 7
- Mr Marriott Assistant Head of Year 7
- Ms Suter/Ms Scholtz Special Needs Coordinator
- Mrs Evans Assistant Principal with oversight of Year 7

The transition team will be visiting primary schools during May and June to work with staff and pupils to ease the transition process. There will also be an opportunity on **Wednesday 4 and Thursday 5 July 2018** for pupils to spend time at the Academy to gain an experience of life in secondary education. Further information about this event is enclosed with this letter.

As parents/carers, you are invited to attend the Academy at **6:30pm on Wednesday 4 July 2018** to meet the staff who will be working closely with your daughter. Further details will be provided nearer the date.

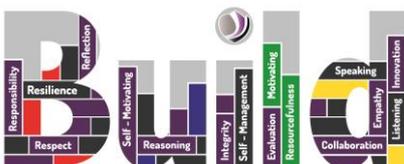

We understand that the move from primary school to secondary education is both an exciting and daunting prospect for pupils and their families. We are happy to answer any of your questions about the process and welcome you to make an appointment to visit the Academy to see at first hand the exciting learning environment that we can offer to your daughter. Please do contact us on 0115 7483410 or e-mail: admin@nottinghamgirlsacademy.org if you would like to visit the Academy.

We look forward to making a strong partnership with you to support your daughter's academic success over the coming seven years.

Yours faithfully

Mr D Tungate
Principal
