## Aims of this policy

The aim of this document is to set out how Nottingham Girls' Academy will promote good attendance and reduce absence, including persistent absence. Ensuring every student has access to full-time education to which they are entitled. Acting early to address patterns of absence. This document exemplifies how we create and maintain the positive climate required to fulfil our mission and remain true to our values, in order to achieve these pupils need to be present:

### Mission

We believe in creating a community empowered with the qualities and qualifications to enter the next phase of life with confidence and ambition.

### Values

- We strive to fulfil everyone's learning potential.
- We value high standards, hard work and a ceaseless desire to improve.
  - We provide a safe, kind, nurturing and inclusive environment.
  - We enjoy the journey together.

To achieve this, we have:

- The safety, well-being, and education of each pupil as our priorities.
- High expectations which are clearly communicated to pupils, parents/carers and staff via assemblies, letters, noticeboards, tutor time notices, pupil planners and the website.
- Clear procedures and systems to ensure effective and timely recording and sharing of information.

## Rationale

At the Nottingham Girls' Academy we believe it is vitally important for pupils to attend school regularly and punctually. This will give them the best opportunity to progress and achieve their full potential. Good attendance and punctuality will also encourage pupils to become responsible and resilient individuals, which will serve them well in their future working lives.

We believe that if students are to benefit from their education and achieve their potential, good attendance and punctuality are crucial. As a school we do all that we can to ensure maximum attendance for all students; we identify and address any problems that impede punctuality and regular attendance as speedily as possible.

We recognise that parents/carers have a vital role to play in establishing regular and punctual attendance and therefore strive to work in partnership with parents/carers and students to resolve those problems as quickly and efficiently as possible. We will support parents/carers to perform their legal duty to ensure their children of compulsory school age attend regularly and we will promote and support punctuality in attending lessons. We will adopt a clear, focused approach aimed at returning the student to full attendance at all times. A similar approach will be adopted with students whose punctuality is considered to be an issue.

It is suggested that 17 missed school days a year equals 1 GCSE grade drop in achievement. 90% attendance over 1 school year of secondary school equals 4 whole weeks of lessons missed. 90% attendance over 5 school years of secondary school equals half a school year missed. If a student can improve their attendance by 1%, they will see a 5-6% improvement in school attainment.

## Standards

At the Nottingham Girls' Academy we;

- We expect every student to attend school on time, every school day, unless there is a legitimate reason for absence. Our minimum expectation is 97%.
- Expect pupils to arrive on time every day.
- Will support parents/carers in their legal responsibility to ensure their child attends school regularly and punctually.
- Believe family holidays should not be taken during term time. We will not authorise requests for holidays during term time, unless in very exceptional circumstances.

## Policy and Procedures

### ***Recognising good attendance and punctuality***

As a school we feel the importance of recognising our students for their attendance and recognising students who have improved. We use a range of measures to praise and reward pupils who meet their attendance and punctuality targets. These include achievement assemblies, certificates, BUILD points, reward events and trips. During their assemblies each week and during prearranged attendance assemblies, students can receive rewards for their efforts. Another place to capture excellent attendance is in our weekly notices, this creates student friendly competition among tutor groups. Classes can compete for most improved attendance or highest attendance in a certain timeframe resulting in a reward for their whole tutor group too.

### ***Addressing poor attendance***

We work diligently to help pupils attend well. We communicate regularly with parents/carers and always aim to provide support to overcome barriers to good attendance. Our Education Welfare Officer (EWO), Mrs J Steeples, works with families when attendance falls to worrying or unacceptable levels.

Any pupil whose attendance falls below 90% and fails to meet interim thresholds throughout the year, is likely to become a **Persistent Absentee (PA)**. In these cases, further absence due to illness or medical reasons will not be authorised unless supported by additional medical evidence such as a GP appointment card or letter.

Pupils in this attendance category will be monitored closely and we will perform home visits during this period, to discuss absence and hold meetings with parents/carers. If this still does not prompt an improvement in attendance, we will seek intervention from the Education Welfare Service and ultimately pursue court action.

The Education Welfare Officer from the local authority has weekly contact with the EWO at school to discuss students' attendance, offering advice and support where it is required. Arrangements are then made for both parties to meet with parents/carers and the pupils to discuss concerns and offer support to see an increase in their attendance.

### **Children Missing in Education**

The school recognises that when a child goes missing from school it is a potential safeguarding issue. If there has been no contact received by the 3rd consecutive day of absence a home visit will be conducted by the EWO or their Head of Year (2 days for children on a plan with social care) and the student may be added on to the Children Missing in Education register. Under section 8 of the Education Regulations Act (2006) the school will make 'reasonable' enquiries into the location of pupils with 10 days continuous unauthorised absence or for those who fail to return from leave of absence granted during term time.

### ***Holidays in Term Time***

Family holidays should not be taken in term time as they damage progress and continuity of learning. We will not authorise any holidays, unless in very exceptional circumstances. Penalty notices may be issued, under the provisions of the Education Act (Section 444), where unauthorised holidays are taken.

### ***Punctuality***

Pupils who arrive late to school, without good reason, will be set a Same Day 15 minute afterschool detention. If a pupil does not attend this detention, then it will be escalated to a next day 45 minute after-school detention and loss of social times.

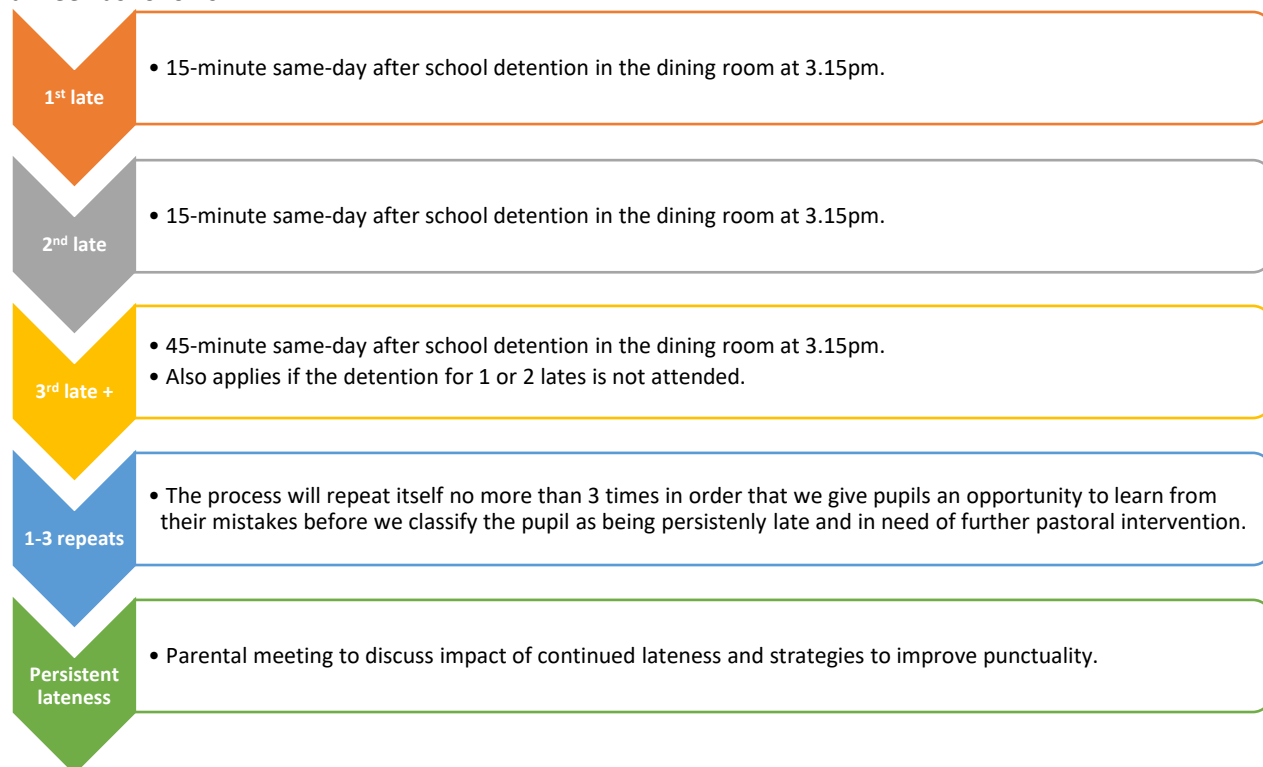

Pupils are expected to be on time to school and to all lessons. Punctuality is a core aspect of future employability and getting into good habits and routines is essential. In law, it is the responsibility of parents/carers to ensure that their child attends school every day and on time. A pupil is deemed to be late for school if they are not in their tutor room or assembly line by the time the 8.45am bell rings.

When a pupil is late to school, they will miss part (or all) of tutor time, assembly, or a lesson. This means they will miss vital learning, notices, and content from our PSHE programme of study. We place a great deal of importance on this and therefore treat lateness to school seriously.

Our Year Teams will work with parents/carers to overcome barriers, which prevent pupils arriving on time. If punctuality problems persist, we may involve the Education Welfare Service, who may issue a penalty notice for persistent lateness under the provisions of the Education Act (Section 444).

**Pupils must be in their tutor room by 8.45am every day, otherwise they will be classed as late.**

The sanctions for lateness to school are graduated according to the number of times a pupil is late in a week as follows:

### ***Punctuality to lessons***

When a pupil is late to a lesson, they disrupt the learning of other pupils in that lesson as well as their own. This is not acceptable, and the expectation will be reinforced with a misconduct -1 negative point. As explained below, pupils that are persistently late to lessons will have further sanctions imposed. These could be pupils being placed onto Head of Year or Senior Leader report or 45-minute same-day afterschool detentions. Heads of Faculty may also put sanctions in place if the pupil is just turning up late to one particular subject.

### ***Truancy and Leaving site during the school day***

No pupil is allowed to leave the site without permission during the school day. If in an exceptional circumstance the parent requires their child to leave the school site, they must provide proof of appointment and telephone school on 0115 7483410 at the time the student needs to leave.

External truancy is when a student leaves home to attend the Academy but does not arrive. In these cases, parent/carers will be contacted as per first day contact. If a student is considered to be vulnerable or if their whereabouts cannot be identified, it may be necessary to contact external agencies, such as the police and or social care.

Internal truancy is when a student arrives in school but is not in their lesson (or agreed alternative). These incidents will be treated seriously and will result in a period of time in the Reflection Room and have a Same Day 45 minute afterschool detention, where they will catch up on the work that was missed. However, parent/carers will be notified by the pastoral team if their child has truanted lesson/s.

## **Roles and Responsibilities**

### **Attendance bands and monitoring**

Our attendance standard is 97% and any attendance below that will incur a level of intervention to support students and families. Our ethos towards attendance is reinforced by a thorough system, with an emphasis on home-school communication.

There are strong and proven links between student attendance and educational achievement.

Attendance of less than 95% (i.e., absences of 9.5 days or more out of the 190 student days in the school year) has been shown to compromise student attainment. At 90% attendance students miss the equivalent of almost 4 weeks education (19 days) and only 10% of students who are persistently absent from school achieve 5 9-4 grades at GCSE. Ensuring students attend regularly at school is a parent/carer's legal responsibility.

95%	=	<b>40 LESSONS MISSED EACH YEAR</b> 8 days in total or 1 week and 3 days
90%	=	<b>80 LESSONS MISSED EACH YEAR</b> 16 days in total or 3 weeks and 1 days
85%	=	<b>120 LESSONS MISSED EACH YEAR</b> 24 days in total or 4 weeks and 4 days
80%	=	<b>160 LESSONS MISSED EACH YEAR</b> 32 days in total or 6 weeks and 2 days

The Educational Welfare Officer and the pastoral teams closely monitor the attendance of all students at the Academy and act accordingly should attendance become a concern. Our attendance standard is 97% and any attendance below that will incur a level of intervention to support students and families. Attendance data at all levels is formally reported to parent/carers, the Academy Council and the Senior Leadership Team. Accurate attendance returns are made to the DfE (via the Local Authority and SIMS) within the stipulated time frame. Data is collated and analysed (this can be by gender, Special Educational Need, Pupil Premium, ethnicity etc.) daily, half-termly and annually through attendance reporting and will inform the level of monitoring families can expect:

The attendance bands below provide structure for our intervention.

### Attendance bands

**Band 1**  
**Green (Rewards and recognition)**

**97%  
Above** If your child attends school above 97% of the time, they will receive regular positive recognition, a range of rewards and above all the best opportunity to achieve academic success.

**Band 2**  
**Amber 1 (Contact home)**

**97%  
to  
94%** If your child's attendance falls into this band, their Year Team will contact you to discuss any barriers to good attendance and offer support to improve attendance. If attendance continues to fall then a letter will be sent home.

### **Band 3**

**94%  
to  
90%**

#### **Amber 2 (Attendance concern meeting)**

If your child's attendance falls into this band, a letter will be sent inviting you to an Attendance Concern Meeting with the Year Team. At this meeting barriers to good attendance will again be discussed, improvement actions agreed and attendance targets set. This is the final opportunity to demonstrate an ability to improve attendance before moving towards the prosecution stage.

### **Band 4**

**Below  
90%**

#### **Red 2 (Local Authority pre-prosecution meeting)**

If there are no improvements within the timescale agreed at the Academy Attendance Meeting, a pre-prosecution meeting with the Authority Attendance Service will be conducted and a referral will be made. Final targets for improvement will be set and prosecution procedures explained. If the final targets are still not met, then the Authority Attendance Service will move to prosecute.

### **Attendance registers**

By law, we are required to keep an attendance register, and all students must be placed on this register.

#### **SIMS Registration:**

The attendance register will be taken at the start of every lesson of each school day. Teaching staff are required to enter a present mark (/), an L code for lateness or an N code if a student is not present. If a student arrives after the register has been taken, the Educational Welfare Officer will amend the code to L. In cases where a lesson is being covered and the staff member is unable to take an electronic register, a paper register must be taken and sent to the Educational Welfare Officer within 10 minutes of the start of lesson. *Refer to appendix 1 for DfE attendance codes.*

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made. Students must arrive in school by 8.40am on each school day. The register for the first session will be taken at 08:45am and will be kept open until 09:30am. The register for the second session will be taken at 13:15pm and will be kept open until 13:45. Arrivals after 09:30am will be marked as a 'U' code which is an unauthorised absence and will be treated as such following the attendance procedures. The school day ends at 3:10pm.

#### **Students attending Alternative Provision**

Mrs Turner-Ramadan and Mrs Steeples have a monitoring system in place for capturing students attendance when they are at Alternative Provision. Each provision often has its own way of recording attendance however, every day at 9.30am NGA receive the student's attendance mark and support making phone calls if there is any absence.

If absence is an issue, we support the provision and students by phoning home, making home visits, review meetings and termly reports to ensure there is progress.

## Absence

### **Unavoidable Absence**

Absences which are considered unavoidable may be authorised by the Nottingham Girls' Academy. These include:

- General illness unless your child is classed as a Persistent Absentee.
- Attending a religious festival or ceremony with family.
- An emergency medical or dental appointment that could not be made outside of school hours.
- Being in hospital or having hospital treatment.
- Attending a funeral with family.
- Attending an interview for a job or place at a college.
- Taking part in a public performance or an examination.

Please inform the academy on the first day and each subsequent day of absence.

### **Avoidable Absence**

Absences which are considered avoidable will not be authorised by the Nottingham Girls' Academy. These include:

- Trivial illness or looking after an ill relative.
- Looking after the house or waiting for workmen/deliveries etc.
- Holidays in term time.
- Looking after brothers or sisters, including dropping them off at school or nursery.

A member of academy staff may conduct a home visit for a welfare visit at any time. This is to support families and to try and minimise the impact of prolonged absence from school as every day of missed learning is an opportunity wasted. All students considered to be vulnerable will be contacted by telephone as a priority and if necessary, outside agencies may be contacted, such as Social Care.

### **Medical or dental appointments**

Any routine medical appointments (such as check-ups at the dentist or eye tests) must be made outside of school hours.

Where an emergency appointment is necessary, families must:

- Obtain a leave of absence card from HOY or DHOY.
- Notify the academy as soon as possible.
- Bring the student back to school in a timely manner (whole day appointments are not permissible).
- Obtain evidence of the appointment (e.g., appointment slip / text message).

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences and medical evidence should be provided for e.g., appointment card/text message. Parents/carers must notify the school of a planned medical appointment or dental appointment by calling 0115 7483410.

### **What we all need to do if there is an unplanned absence**

Parents/carers must:

- Notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 08:00am or as soon as practically possible.
- They should call the school on each subsequent day that the student is absent from school and inform the school of an expected return date.
- Where we have not heard about a student's absence from a family member, we will conduct a home visit to try and ascertain the whereabouts of the student.

- Parents/carers should send a note in on the first day their child returns back to school with an explanation of the absence – parents/carers should do this even if they have already telephoned the Academy.
- Parents/carers can notify the school of an unplanned absence by calling 0115 748 3410. On the first occasion, absence due to illness will be authorised unless the absence is re-occurring, more than two days and/or the school has a genuine concern about the authenticity of the illness.
- If the authenticity and severity of the illness is in doubt, the school may ask parents/carers to provide medical evidence, such as a doctor's note, appointment card or other appropriate form of evidence.
- If the school is not satisfied about the authenticity of an illness, the absence will be recorded as unauthorised, and parents/carers will be notified of this.

If a student is absent the Academy will:

- Contact parents/carers on the first day of absence if we have not heard from them.
- Contact parents/carers on the second day of absence (even if parents/carers have notified the school of the absence) to check on the student's health and well-being
- Provide catch-up work for the student when they return to school if needed (please note, this is not a substitute for attendance and participation in the lessons).
- Provide support to students to help them improve their attendance, if needed. A member of academy staff may conduct a home visit for a welfare visit at any time.

This is to support families and to try and minimise the impact of prolonged absence from school as every day of missed learning is an opportunity wasted. All students considered to be vulnerable will be contacted by telephone as a priority and if necessary, outside agencies may be contacted, such as Social Care.

### ***When is a student too ill for school?***

We ask that our parents/carers use their common sense when deciding whether their child is too ill to attend school.

It may be helpful for parents/carers to consider the following questions:

Is my child too ill to undertake the activities of the school day?

- Does my child have a more serious condition that could be passed on to other children or staff?

For example: scarlet fever, chicken pox. Children can normally attend if they are suffering from a common cold.

- Would I take a day off work if I had this illness?

If the answer to the questions is yes, it might be worth considering keeping a child at home.

### ***Vomiting and diarrhoea***

In respects of bouts of vomiting and diarrhoea, we advise parents/carers to consider whether the illness is viral or a contagious illness. We do not operate a 48 hour rule.

### ***Medical advice***

The information on types of illness in our policy is general advice and we would always suggest that parents/carers consult a medical professional with individual concerns or queries.

### ***Religious leave of absence***

The Academy grants the statutory leave of absence of up to two days in one academic year in order that students can observe important religious festivals. A request for a religious leave of absence can be discussed by contacting the pupils Head of Year. The school will decide which day students can

have off for religious reasons, for example, which day the majority of the pupils and staff will take a day off for EID. The school will inform parents/carers of these dates via a parent letter through email.

### Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern.
- Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the governing board.

### Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance and use this analysis to provide targeted support to these pupils and their families.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

### Using data to improve attendance

The school will:

- Provide regular attendance reports to [class teachers/form tutors], and other school leaders, to facilitate discussions with pupils and families.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

### Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school.
- Provide access to wider support services to remove the barriers to attendance.

## Legislation and guidance

Section 7 of the Education Act 1996 states that the parent is responsible for making sure that a child of compulsory school age receives full-time education. Compulsory school age is defined as aged five to the last Friday of June in the year they reach sixteen. This policy meets the requirements of the school attendance guidance from the Department for Education (DfE) and refers to the DfE's statutory guidance on school attendance parental responsibility measures.

These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- The Education Act 1996.
- The Education Act 2002.
- The Education and Inspections Act 2006.
- The Education (Pupil Registration) (England) Regulations 2006.
- The Education (Pupil Registration) (England) (Amendment) Regulations 2010.
- The Education (Pupil Registration) (England) (Amendment) Regulations 2011.
- The Education (Pupil Registration) (England) (Amendment) Regulations 2013.
- The Education (Pupil Registration) (England) (Amendment) Regulations 2016.
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013.
- Local authority guidance on issuing fixed penalty notices.

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold and will also be applied in line with current equalities legislation. All absence leave is at the discretion of the Principal and is not an entitlement.

## Leave of Absence

The Government issued new regulations in September 2013 regarding Leave of Absence; The Education (Pupil Regulations) (England) Regulations 2006 as amended by Education (Pupil Regulations) (England) (Amendment) Regulations 2013. A leave of absence can be requested by completing a 'Holiday Form' at Reception.

- Head teachers shall not grant any Leave of Absence during term time unless they consider there are exceptional circumstances relating to the application.
- Parents/carers do not have any entitlement to take their children on holiday during term time. Any application for leave must establish that there are exceptional circumstances, and the Head Teacher must be satisfied that the circumstances warrant the granting of leave.
- Head Teachers will determine how many school days a child may be absent from school if the leave is granted.
- The school can only consider applications for Leave of Absence which are made by the resident parent. i.e., the parent/carer with whom the child normally resides.
- Applications for Leave of Absence must be made in advance (12 days) by completing a leave of absence request form. The application form is available from the Academy reception. Failure to do so will result in the absence being recorded as "unauthorised". This may result in legal action against the parent/carer, by way of a Fixed Penalty Notice.
- The Principal will not authorise leave of absence under any circumstances of more than ten (10) days in one academic year.
- Applications for Leave of Absence which are made in advance and refused will result in the absence being recorded as "unauthorised". This will result in legal action against the parent/carer, by way of a Fixed Penalty Notice, if the child is absent from school during that period.

- A Penalty Notice may also be issued when the level of unauthorised absence is 10% or more over a period of ten school weeks.
- Where a child resides with two parent/carers a separate penalty notice will be issued to each parent/carer.
- The term “parent” used in the code of conduct is defined by Section 576 of the Education Act 1996 and Section 2 of the Children Act 1989. In this Act, unless the context otherwise requires, “parent”, in relation to a child or young person, includes any person: a) who is not a parent of his/her but who has parental responsibility for him/her, or b) who has care of him/her.
- All matters of unauthorised absence relating to a Leave of Absence will be referred to the Educational Welfare Service within the Nottingham City Council.
- If a Fixed Penalty Notice is issued and is not paid within the timeframe set out in that Notice, the matter will be referred to Nottingham City Council’s Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

**Each application for a Leave of Absence will be considered by the Principal on a case-by-case basis and on its own merits.**

***Effect of a Penalty Notice being issued***

The Local Authority will act in accordance with The Education (Penalty Notices) (England) Regulations 2012 to issue a Penalty Notice. Penalties are set at £60 if paid within twenty-one (21) days rising to £120 if paid after twenty-one (21) days but within twenty-eight (28) days. If the penalty is paid the absence covered by the Penalty Notice cannot be cited again.

Penalty Notices shall not be issued if legal proceedings under Section 444 of the Education Act 1996 are under consideration or are in progress.

There is no right of appeal against a Penalty Notice and a parent/carer can either accept and pay the notice or decline payment.

If the Penalty Notice is not paid in full by the end of the 28-day period, the Local Authority must either prosecute under section 444 of the Education Act 1996 or withdraw the notice. Where a penalty notice is withdrawn the recipient will be informed in writing.

If a prosecution is brought and the parent/carer found guilty, then a conviction for an offence under Section 444(1) of the Education Act they may be liable to a fine of up to £1000.
