24 March 2020

Dear parent/carers

RE: Urgent Free School Meal (FSM) Update - 24 March 2020

I am sure you will have heard the latest measures announced by the Prime Minister. These are designed to further restrict the movement of people outside of their homes to enforce social distancing.

In response to this, we are stopping the Free School Meal service that was in operation yesterday with immediate effect. Please do **not** come to the site today as it will not be open.

Things are changing extremely quickly as our country responds to this pandemic. I am sorry for the changes we have had to make at such short notice.

We are continuing to work on introducing a voucher scheme that will provide support for families eligible for FSM. We will be in touch to explain this scheme as soon as we can.

I hope you and your family stay well and safe during this very testing time and I hope to see you all soon. Please take care and follow the Government guidance.

Yours faithfully

Mr D Tungate
Principal
