March 2021

Parents/carers of year 6 pupils

Dear parent/carer

RE: Year 6 Transition

We are delighted that you have chosen the Nottingham Girls' Academy for your daughter's secondary education. We look forward to welcoming her in September. Please do remember to accept your daughter's place via the Nottingham City Council Admissions team by **Friday 12 March 2021**.

We pride ourselves in the support that we give to our pupils as they make that very important move from primary to secondary schooling. We have a dedicated team of staff who will work to support you and your daughter over the coming months.

The transition team staff are:

- Mrs Watson Head of Year 7
- Ms Scholtz Special Needs and Disabilities Coordinator (SENDCo)
- Mr Sharpe Deputy Principal with oversight of Year 7

The transition team are hoping to visit pupils in their primary schools during May and June to work with staff and pupils to ease the transition process. If Covid measures prevent this, we will aim to contact each family individually.

Transition events:

➤ **Transition Days - Wednesday 7 and Thursday 8 July 2021**

We are hoping that on the above days there will be an opportunity for pupils to spend time at the Academy to gain an experience of life in secondary education. Further information about this event will be provided in due course.

➤ **Transition Evening - Wednesday 7 July 2021 at 5:30pm**

We are also hoping to hold a Transition Evening on the above date at the Academy for parents/carers to meet the staff who will be working closely with your daughter. Further details will be provided nearer the date.

Please note, all the above events will be dependent on the latest social distancing measures in place at that time.

We understand that the move from primary school to secondary education is both an exciting and daunting prospect for pupils and their families. We are happy to answer any of your questions about the process
