Dear parent/carers

## **RE: Year 7 online Parents' Evening via SchoolCloud**

I am writing to invite you to attend our online Parents' Evening for Year 7 on **Wednesday 21 April, from 4.30pm until 7pm**. Parents of pupils that are part of our Alternative Curriculum can book appointments with Ms Murphy and Ms Scotney. Should any parents wish to speak with our school SENDCo, Ms Scholtz will also have appointments available.

We would have loved to invite you in for the usual face-to-face meetings we have on parents' evenings, but the current restrictions in place due to Covid prevent this from happening.

We are therefore trying out an online booking and video appointment system called SchoolCloud. This should allow you to choose your own appointment times with teachers and meet with them online.

All you will require is a browser, which means you can use a computer, laptop, tablet, phone or even some games consoles or smart TVs for the meetings!

The meetings will be limited to 5 minutes long per subject teacher.

**PLEASE NOTE:** At the end of your allocated time, the system will automatically stop your meeting and transfer you to your next appointment. I promise this is not staff being rude!

The window for booking appointments is from Wednesday 7 April at 7am until Tuesday 20 April at midnight. Should you wish to make any changes after this date and time, please contact the academy office.

Please visit <https://nottinghamgirlsacademy.schoolcloud.co.uk/> to book your appointments.

A short guide on how to add appointments is included with this email and the following video may also be of help: <https://support.parenteveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

To login, you will be asked for some basic details about yourself and your child (name, DOB, etc). Please enter these carefully as the system automatically checks them against the records you have provided us to verify who you are.
