

Careers Programme Overview - A Roadmap to Success

NOTTINGHAM
GIRLS' ACADEMY

Vision Statement

We will challenge the traditional stereotypes of employment, promoting all types of employment with a positive focus on STEM subjects and the changing and challenging local and national labour market.

All Year groups have:

- ❖ Weekly careers notices in tutor time
- ❖ Careers assemblies
- ❖ Into University workshops
- ❖ Newsletters sent out with careers information

Milestones and Learning Outcomes

Key Events and Experiences

Year 11

Moving on/ transition - we want to ensure that you are actively planning your transition, speaking to external education providers and employers and attending training events. You will also get to meet with or visit further education providers.

Year 10

Experiences of work are our focus in year ten. We want to give you the opportunity to experience different workplaces through work experience and visits to workplaces. You'll also start to learn about the different routes available at our apprenticeship fair and careers day.

Year 9

Aspirations and options - we want to raise your aspirations by giving you the opportunity to talk to aspirational women in local businesses. You will also need to consider what option choices you need to make for the next stage of your career journey

Year 8

Developing skills for enterprise and employability - you will be encouraged to develop skills that will allow you to one day run your own business as well as work for other people.

Year 7

Challenging stereotypes and developing skills for work - you will learn to be able to recognise what stereotyping is and to challenge yourself to do whatever they want to in the world of work.

Year 11

CV writing and application support during tutor time
-Personal guidance interviews with Careers Advisor
Careers day: interview skills, Start profile, job research, understanding your personal skills and LMI information.
Parents' evening supported by Careers Advisor
NCS assembly and sign up
Year 11 sixth form taster days
Mock interviews
Support on results day from Careers Advisor

Year 10

Construction tasters at Nottingham college.
Careers day exploring Post 16 options, work experience evaluation, introducing apprenticeships and raising awareness of local college opportunities
Apprenticeship fair
DHL mentoring programme and residential

Year 9

Humanutopia workshop run by Capital One staff.
Options evening supported by Futures.
