Dear parents and carers

You may have heard from your own children that a number of our pupils were assaulted on the way to school yesterday, including by some adults.

This was a targeted incident (rather than a random attack) but is no less shocking and appalling.

We are doing what we can to support the girls involved as they are understandably shaken. Please help us to reassure your children that there is no reason to believe they will be the victim of a similar incident.

The incident is now an ongoing investigation by the police and we are supporting them as fully as possible with their enquiries.

Yours faithfully

Mr D Tungate
Principal
