Dear parents/carers

RE: Prom

After considering the most recent announcement from Boris Johnson, we have unfortunately had to make the decision to postpone the prom until September.

Current government guidance means that we would only have been able to have table service, a maximum of 6 at a table, no dancing indoors, as well as no cross-over of bubbles.

I would like to give your child a prom that reflects the hard work and dedication that they have put in during their time at Nottingham Girls' Academy; a prom without dancing and singing would not do them justice.

We know this is disappointing as you have all worked so hard, however, this is just postponed; we would like to hold prom in September and will be watching upcoming announcements to see if this will be possible. We will send information out as soon as we have had an update.

If there is anything further you wish to know, please do not hesitate to contact us.

Yours faithfully

Mrs M Heron
Head of Year 11
