9 July 2021

Dear parents and carers

RE: End of term arrangements

The end of term is rapidly approaching so I thought I had better confirm the arrangements for our last week.

Term Dates

You will remember that, for this academic year, we retained the single week half term holiday in October. This means that NGA breaks up for the Summer Holiday on **Friday 16 July 2021**. Please note that this is at least a week earlier than most of the other schools in the city and county as they had a two-week break in October.

For 2021-22, our holidays will be aligned with other schools in the city and county as we also move to a two-week October half term.

Rewards Assemblies

Throughout the last week of term we will celebrate the achievements and progress of our pupils. Each year group will have a rewards assembly in which we will be giving out certificates and prizes for attendance, effort, progress and commitment to our BUILD qualities.

Attendance in the Final Week

For the rest of the week, we will be continuing to deliver our normal curriculum. This is crucial in a year that has experienced so much disruption. Please ensure your children continue to attend (Covid permitting) or access lessons online throughout the week.

Last Day of Term – Friday 16 July

The last day of term will be a non-uniform day. Children are asked to make a voluntary contribution of 50p that will be donated to: Islamic Aid.

Our arrangements for the last day of term will also be slightly different as we will be closing a little earlier than usual. The timings of the last day are below. Please note, the earlier finish times:

- 1.20pm for Year 7 and 8
- 1.30pm for Year 9, 10 and 6th Form

/Cont'd....

-
- We strive to fulfil everyone's learning potential. • We value high standards, hard work and a ceaseless desire to improve.
 - We provide a safe, kind, nurturing and inclusive environment. • We enjoy the journey together.

Arrangements for September

As you will have seen in the media this week, we should finally be able to return to more normal operation in September.

If pupils are no longer in bubbles, we will not need staggered start and end times for the day, separate lunch times or year-group zones.

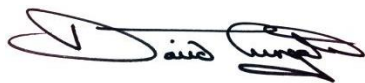

Most importantly, pupils will be able to use all the specialist rooms in our school instead of being restricted to one corridor.

We also expect to reboot our extra-curricular programme, sports fixtures and trips.

I will write to you next week (and, as a reminder, just before we return in September) to outline the key dates for the return to school, the changes we expect to see and our expectations regarding equipment, uniform and behaviour.

In the meantime, have a lovely weekend and, if it is your thing, enjoy the tennis and football

Yours faithfully

Mr D Tungate
Principal
