6 September 2021

Dear parents and carers,

As I regularly do, I am writing to request your help regarding the traffic on Robins Wood Road and Prestwood Drive at the end of the school day.

Simply put, there is too much of it!

As a result, the road is becoming gridlocked as people park to wait for their children and other cars cannot get past.

This is further complicated with the public transport that is provided for the school and the inconsiderate driving and parking of some people.

If at all possible, your children should make their own way to and from the academy - either on foot, bike or public transport. This would certainly benefit their health, self-confidence, and independence.

If this is not possible then please consider picking them up further away from the school.

As always, myself and my staff are doing what we can to ensure that pupils cross the road safely and motorists are not going to get a nasty surprise of someone running into the road. However, we cannot also stop people from parking dangerously on corners, doing 3-point-turns in the road, stopping illegally on the yellow zigzags or parking in front of local residents' driveways. These things cause the traffic to get jammed, people to become frustrated and increase the risk of an accident.

I am therefore asking for your support in reading the attached postcard, supporting us to reduce the traffic where possible and acting safely, responsibly, and considerately if you do still need to collect your children.

Yours faithfully,

David Tungate
Principal
Nottingham Girls' Academy
